

### **The Makers Boulevard Launches Its First Annual Community Kids' Market**

**Brentwood, CA, June 30th, 2023** - The Makers Boulevard is excited to announce the launch of its first annual Community Kids' Market. The market will offer an opportunity for young entrepreneurs to exhibit their creativity and business ideas alongside experienced artisan makers, artists, and small business owners. The market will highlight a variety of handmade goods and services created by children of all ages.

Founder of The Makers Boulevard, Katie Rogina, shared her excitement about integrating Brentwood's young entrepreneurs into her community market. She expressed, *"I'm thrilled about this opportunity and I can't wait to witness the innovative creations of our young makers!"*

The goal of the market is to encourage children to explore their passions and develop their entrepreneurial skills. The Community Kids' Market will also serve as a space for families to come together and support their young ones.

*"Downtown Brentwood is excited to be the location for an event that uplifts the youth in our community."* Said Downtown Brentwood Coalition's, Executive Director, Amy Tilley. *"This concept encourages entrepreneurship, creativity, and community involvement, all of which embody the spirit of Downtown,"* Tilley added.
